TC-05: Verify "Reset App State" clears the Cart

Key details

Description

Preconditions	User is logged in to saucedemo.com as problem_user
Test Data	Username: problem_user Password: secret_sauce Website URL : saucedemo.com
Test Steps	1. Add any product/s to cart 2. Open the side menu 3. Click on “Reset App State” 4. Without refreshing or leaving the page, check the cart badge and the product button 5. Open the cart page
Expected Result	☑ The cart badge disappears (shows no count) ☑ The cart page is empty ☐ The product buttons go back to “Add to Cart“ instead of “Remove“ without refresh
Status	Fail
